DVR-TrueCover Activator [32|64bit]

This application can turn your digital devices into a creative tool to add some color and style to your work. DVR-TrueCover's interface is simple: it has 3 tabs: Main, Extras and Cover Builder. The Main tab is the center of this application. It includes important info such as your album, title, author, publisher, number of scenes, genre and year of production. The Cover Builder tab helps you to create your own DVD/CD cover with your own pictures and text. The Extras tab allows you to add your own text, font, pictures, etc. to your cover. Additional features available: Text transitions, Image transitions, Animated backgrounds, Animate frame rate, Movie frame rate and more. In order to add the cover to your movie in Windows Media Player, you need to go to the Extras tab and add your cover there. DVR-TrueCover License Agreement: Please read the license agreement carefully before proceeding. NON-MIGRATION: The DVD/CD Creator is a non-migration application. When you uninstall it, the DVD/CD Creator installation files will be left behind in the following folders: C:\Program Files\DVD-Creator\WindowsMediaPlayer10 C:\Program Files\DVD-Creator If you are using any of the above folders and want to remove the DVD-Creator application, you will need to delete the following folders as well: C:\Program Files\DVD-Creator\WindowsMediaPlayer10 C:\Program Files\DVD-Creator In some rare cases you may experience a problem when you uninstall this application. If this happens to you, please reinstall this application. Do not skip the installation process: DVD-Creator will perform a scan for missing or corrupted files. During this process you may be requested to restart your computer. You can uninstall the application after the restart. The process will remove all the contents of the above mentioned folders and will be replaced by the latest version of DVD-Creator. END USE DO NOT USE THIS PRODUCT FOR: - PROFIT- MIXED USE: You may have more than one application using the DVD/CD Creator. You must not use this product to make profit. - BUSINESS: This product may be used for business purposes. - USE ONLY FOR TESTING PURPOSE: This product is intended for personal use only. You are not permitted to use this product for testing purpose. If you

What's New in the?
