Geosoft TFA v3.5.0 A: Global.Mapper v16.2.2.061914.x86.x64 may have a crack at Note that the crack could come from a patch that was issued by the author of this (commercial) software. I am not sure if this is the issue, but it might be worth checking. Q: How to return values from child component to parent? I have Parent component, and it has multiple children. In parent component I can pass in any data to children. In child component I can use this data to render, but I cannot trigger any child
