I am Dov, an avid astrophotographer and now-a-days landscape photographer. I have always been intrigued with the beauty of space and its wonders. Photography has been a passion of mine for as long as I can remember and, here on this site, I hope to share my love of space photography with you. I invite you to share your photos and thoughts here. I hope to add interactive areas, lots of content, and a vast selection of photos in due time. Until then, the site will remain under construction and be maintained as a work in progress. I look forward to your feedback and feedback is very much appreciated.
