Story "UNCERTAINTY YOURS AND IT'S DESTINY" A madman known as Tarrasque, who has already been declared the embodiment of evil in the world of Grimoire, arrives on the coast of the Republic of Eriga. A country that is ready to liberate itself from the oppression of the Dominion of Tam's past deeds, it has been waiting for a long time for a liberator. As a result, it is now summoned to a state in which it is uncertain what will happen next. This is the story of Eregdan, an unnamed hero who, on his journey to achieve liberation, passes through the Lands Between. "It's almost as if we're in a living action game." Let us go back in time... "We have to defend what we have already won." "Like a new life." Overview: This is an action RPG game in which you are in charge of a character that is scattered with various elements of the Lands Between, as well as a battle party of heroes and a narrator who makes asides. We have also prepared a "Storyteller" tool to show you the world of Grimoire. The adventure is like an act in which you are in the role of a character that is a subjective and variable value. The adventure constantly evolves with the reaction of the participants. The theme of this version is a battle. This is a war of the Elden Ring. We plan to create an easy battle system that lets you become a

Elden Ring Tue, 21 Aug 2015 04:14:02 +000022852 at NBA 2K15 Patch 1.05 Brings New Features, Fixes and Balance Updates to Multiplayer

The NBA 2K15 squad has rolled out a patch for the game, NBA 2K15 Patch 1.05, with a plethora of features, fixes, and balance improvements.

The patch was introduced in response to some of the issues reported with the initial 1.04 update, which debuted the Tidal Wave.

"Hi, 2K community. For quite some time, we've had a lot of great discussion with you guys about what you like about the game, what could be improved, and how we can stay connected to you."

"This patch represents the culmination of all that discussion, as well as fan feedback we've received in recent months," explained Jason Argent, Community Manager.

The biggest new feature of the patch is the Tidal Wave, which has been improved,
