The ancient artifact, the Elden Ring, has power unparalleled among the other rings of the world. Tarnished, as it is called, is a relic that has been passed from generation to generation of kings and queens. It is the power of the Elden Ring that determines the fate of the world. • A Tarnished Jewel, the Elden Ring The Tarnished jewel is a special artifact of the Elden Ring, with the power to determine the world's fate. The Tarnished jewel is forged within the Elden Ring and is similar to a blacksmith's sword, with a form that has been tempered to perfection. To wield its power, you must overcome the stone's curse and select the right king. • Tarnished Kings, Prophecies in the Lands Between The moment Tarnished is selected, the gentle realm of the Lands Between is transformed, and prophecies spoken on the black mountain of Tarnished rise into reality. When the prophecy is spoken, the journey of the player with Tarnished will begin. Tarnished is currently in development by Gust. We will be releasing more information in the near future. \*\*Important Announcement: Due to unforeseen circumstances, we have had to make the decision to delay the release of the Tarnished Collector's Edition to an unknown date\*\* The Tarnished Collector's Edition will be arriving later this year.
