This work is a parody of the game Gal*Gun and the game's subject, the Artsygonina. Page 1 Page 2 Page 3 (I stole the background from the game Kaiyodo, the artist's credit belongs to them.) (I stole some of the wallpapers from the game Dxivii) Gal*Gun is a game of big guns. It's about playing with powerful guns that can shoot

bullets to other guns. Some of the girls have those bullets that can take you out of this gunfight. I don't know what they serve for.) (The original script text isn't here.) Page 14 Page 15 Page 16 (The original script text is in the rainbow, but is too much to copy.)
