## **What's new:**

**HomeGreen Grass Cutter** The base is naturally infused with specific bacteria, which helps reduce odor and helps control undesirable weeds. This lawn mower will cut almost any type of lawn without the use of a gas powered engine. The frame uses the new all stainless steel shock isolator technology a by-product of the beverage and food industry. The shock isolator does the job of holding the replaceable high speed micro-cutting blade in place. It also provides a smooth running connection to the handle. If your ready to cut that grass down to your satisfaction then "THE GREEN GRASS CUTTER" has you covered. THE GREEN GRASS CUTTER is a high-performance, full sized 1-1/2 HP, 300W engine is suitable for residential and heavy commercial use. (Due to the dual high performance cutting blades) The GRASS CUTTER is the choice when performance is demanded. \* Battery does not included.. If you live in a dry, low humidity environment, and you have heavy clippings, we recommend that you split the top, middle and bottom of the grass and then spread them on the lawn. Remember to take the grass trimmer off before starting the engine to be able to cool it quickly. The Green Grass cutter weighs about 20 pounds, it can handle even the most difficult of jobs. The Grass cutter is a very versatile product. Cutting 3,000 times the speed of and Electric Grass trimmer

**Green Grass Cutter Features** High-performance, full size 1-1/2 HP engine with 300W of power and weighs about 20 pounds Shocks absorb debris striking the high speed micro-cutting blades and do not rotate with the cutting platform. Unique integrated uprights & handle frame using all stainless steel shock isolators and through hole sealed joints. Roto-Lift handles are designed to grip the handle with the cutting platform. Ratchet enabled platform handle locks into position once raised. Stainless steel floor and blade guard. Heater for grass blades cutting impact and keeps the cut material from clogging. Battery is 12 volt DC-3AAA...and charger included. Weighs approx. 20 Lbs., approximately 8 Kgs. Easy to wash by hand, easy to clean. Low noise level, almost no sound of the engine. Equipped with a Rider Control mechanism, makes mowing easier and more efficient.
