What's new:

- **The Pitch Experience™ : Work your way up from the amateur ranks to top Europe's elite. Customise your kits and tweak every aspect of your team in the Ultimate Team mode. Manage your team to glory, with its Immersive Lower Leagues and Play In Style modes. Get in the action, with knockout-style knockout European and knockout-style knockout Champions League modes. Or test your skills in the new Multiplayer Championship mode, where the top matchups in Ultimate Team are ranked by your Multiplayer**

team's performance. And if you can find the time, there's solo game mode FIFA Ultimate Team Challenges.

- **Player Ratings system:** With a new Player Attribute Engine, you can design your team's formation and tactics around the traits you want to develop. Rate players on speed, passing, shooting, tackling, heading, dribbling, shooting, taking corners and interceptions, and others. Ranking will help you decide which players to bring to your squad and finally reveal all the information you need to create the next great starting XI - it's how everything has been made to work.
- **Intuitive touch controls:** Master the feeling of the ball with stunning accuracy thanks to new ball physics technology - including new techniques and moving away from the flat control scheme.
- **Hydra-like all-direction dribbling:** Captain the new, explosive drives, drift, jukes and spins that attack the player's every line of progression.
- **Real-world ball physics:** Tackle, deke, dribble and slide through the biggest, most diverse range of passable scenarios than ever before. Control the ball to high balls on the run to support your teammates or tackle long, fast moves even if your feet are off the ground.
- **Complete, high-intensity football:** Earn just five points per game in FUT Cups, and enjoy four complete matches of 11-a-side football to improve your skills and see if you're good enough to reach the top of the Football league.
- **New instanced Ultimate Team:** Get more grip on the size of your team by customising your squad and training up your players in the new pre-match screen. Utopia, where you can compete head

Forget everything you know about football. It's time to smash the game into a new edition, shaped by the demands of football today. To reflect a new way of playing, with fast, fluid, attacking football where every movement

matters, every tactic shapes the flow of play, and passing is the new king. No one who enjoys the game will be surprised by the depth and intensity that FIFA 22 has to offer, but there are a whole host of new gameplay elements to unearth, all poised to shake up the footballing world. It's time to deliver what the fans really want - because you get what the fans want. Come and see for yourself what FIFA means to you. FIFA means football. FIFA means football. ... Can you explain the 'Player Momentum' scoring system? FIFA 22's all-new Momentum system rewards players for the entire length of a match. Every small bit of control and decision that shapes a match affects Momentum, and every goal is worth more. Momentum uses a scoring system that analyses every single game to compare two players' overall performances. A match is scored for every occasion where a player performs above or below the average, which allows you to see what a player is or isn't good at in the heat of battle. By rewarding players for the entire match, the new Momentum system can be tracked like never before, ensuring that players can find out how they're doing. Now everyone is a winner. ... Why was the Women's Team removed from FIFA? The Women's Team has been a strong selling point of the series for quite some time, which is why it's always been part of the core gameplay and setting for FIFA. But over the last few years FIFA has undergone a series of overhauls that have pushed the Women's Team into a new era. FIFA 22 is the first step towards a FIFA franchise that focuses on the core gameplay you want and allows you to experience the most immersive football world. Thus, the Women's Team has been moved into the new Ultimate Team mode, which rewards you for the quality of your players in an entirely different way. This puts you into all-new territory, where you can buy your favourite players and train your squad with a new Coaching system. ... How will passing work in FIFA 22? In FIFA 22,
