Elden Ring for Unreal Engine 4 from DrinkBox Studios is developed by the Team that created the multi-award-winning indie title Vanillaware's Odin's Arc. But unlike Vanillaware's previous titles, Elden Ring is a fantasy action RPG with an emphasis on multiplayer. In Elden Ring, you play a godlike figure that has been banished to an earthly realm full of monsters and demons. You are tasked with guiding a group of heroes through the mysterious lands and become an Elden Lord to restore the world to its original state. The game includes both co-op and multiplayer modes. Here is a quick look at both co-op and multiplayer: – Guide Heroes • Co-operative Multiplayer Guide the heroes as they cross the ominous lands and restore the world. Gather their courage, guide them, and promote their growth. – Multiple Game Modes * Classic RPG In the Classic RPG mode, you can take on the role of your favorite hero and enjoy the three-dimensional story, which closely resembles traditional RPG games. * Classic Action In the Classic Action mode, the original battle system from the first Odin's Arc is included. * RPG Action The action becomes more frantic as you collect EXP and level up your heroes. * Action RPG In the Action RPG mode, you fight with a variety of powerful equipment. The battle system adjusts to your preference of control so that you can enjoy your quest in the best way. * Online Battle Online multiplayer battles are available. The game allows you to directly connect with other players and travel together. – Character Growth • Equipment Combos: Different gear combinations are created by combining different kinds of equipment. • Ability Combos: Using a combination of different abilities, you can change the effect of the equipments. • Character Ability Evolution Using equipment, you can evolve your character's abilities. The stronger your character becomes, the more powerful gear you will receive. – A New World is Born The Elden Ring world is a fictitious world full of monsters and demons. There are various quests in the world, and every quest has a unique feel. - Step by Step Labyrinths Every quest has an intro labyrinth where you see the inner workings of the enemies and monsters in a 3D view. Upon completion of the quest, a labyrinth of the enemy's building will open. - Puzzle Dungeons Puzzle

Features Key:

A thrilling Online RPG (single player/drop-in/drop-out)
Beautiful graphics, and enjoyable animations with spectacular sound effects

A difficult gameplay that requires players to carefully assess their current state and situation so that they can plan and execute the most appropriate action while avoiding situations that it is difficult to handle

Multiple archetypes, weapon and armor customizations, and a highly customizable class system

Unique online play system for multiplayer interaction, first person views, chat and significant events

Self-contained 1st and 2nd story scenarios allowing players who want to replay the story, or those who want to experience all of the story elements, to embark upon optional scenario quests

Expected launch: Spring 2013

Elden Ring For PC [Updated]

The Story of Tarnished Princess Loren • The Princess of the Undead City Lost in the Black Forest: She was the Princess of the Undead City of Rimenez, but abandoned in the wastelands, she lost her way and was lost in the massive, dark forests of the Black Forest. Rimenez occupied by the princess was lost in the black forest There she stayed alone in the darkness as the days passed. • A Savior Forged in the Blood of Her Family: She was a Tarnished Princess of Rimenez, but was abandoned and did not know the family where she was. The princess became the savior of the world to prove her family was from an upper-class family, and to redeem herself, she became a Tarnished princess. Rimenez, Princess Loren of the Undead City Ridiculed by the Tarnished World • A Warrior of an unknown Kingdom: She was a Tarnished Princess of Rimenez, but was abandoned and did not know the family where she was. The princess became a warrior of an unknown kingdom, and to redeem herself, she became a Tarnished princess. The dark forest of the black forest • A Monster That Devours Her Soul: She was a Tarnished Princess of Rimenez, but was abandoned and did not know the family where she was. As time went on, she was tormented by the reminiscence of the Princess that did not remember her, and began to unconsciously imbibe the influence of the Elden Ring. She was a monster that devours her soul. • The Tarnished Princess That Lost Her Way: The princess wandered through the gigantic forests of the Black Forest, losing her way. And she escaped the forest and ascended a mountain where she once again met a mysterious woman. Rimenez and the bloodstain of the Kingdom • A Strange Creature that Was Summoned to the Elden Ring: One day, as the adventure was going on, the princess stumbled on an old edifice where a woman gave her a longsword, the "Elden sword." For the first time, the princess used it and descended to the Elden world in the town of Rimenez. The Elden Ring formed in the bloodstain of the Kingdom • To Become an Elden Lord, Righteousness in His Heart: The princess started the Adventure to

What's new:

Lands Between is a Fantasy Action RPG with RPG elements, such as leveling up and advancing your attribute, and action elements, such as dice and cards, and boasts a party system where you can freely design your own character.

Team Frontend

team Frontend is a France-based development studio that has been creating games for mobile, social and web games, with a team of around 20 developers, including a number of recognized senior members, since 2011. They develop Frontend 1.x, which also brings

you this game, and works with a number of big brand names in the world of mobile games and social networks, such as viberate.com.

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.
