Attached is a screen shot of the new Spartan contract that we've been working with Microsoft to develop. We've been working with them closely to ensure that the new contract is robust and balanced and now they're ready to share. The new contract also includes a number of other changes including the removal of the Xbox Live premium subscription for the Halo Master Chief Collection and new work with Microsoft Game Pass. We think you'll be interested in the Halo: Reach Anniversary Edition.
