We introduce "RepRap Journal" a brand new ebook which has been published by myself and four other engineers who want to share their toolmaker knowledge to people who want to get started with 3D printing, electronics, R/C and so on. The new tutorial is inspired by "A Scientific Introduction to 3D Printing" by Eric M. J. Luedemann. If you have any questions or feedback regarding this guide please contact us: crazy_by_oxygen@hotmail.com or DM to @mysafitri . Samsung has introduced new A9500 Galaxy phone which is equipped with a quad-camera setup of a 16MP ultrazoom, a 13MP f/1.9 wide-angle lens, a 12MP f/1.7 telephoto lens and a 5MP ultra wide angle lens. Having a conventional setup of a wide angle and a telephoto lens, Samsung Galaxy A7 2018 brings a new camera function by introducing a real time refocusing function. This is a built-in camera software that can make your photos perfect no matter how the distance you're shooting from.
